HUGE TIMBER PROJECT UNDER CONSIDERATION

Eastern Capitalists Petition Forest
Department for Kallab
Timber.

Ogden, Dec. 8.—Frank A. Dudley, rep-
resenting large eastern capitalists, is
negotiating with the forestry service
officers for a large tract of timber land
in southern Utah. The tract is situated
on the Kallab forest and contains
about 450,000,000 feet of timber, part of
it being situated in northern Arizona.
The tract is owned by a liberal
Forest of timber in the forest to Mr. Dudley
and associates, and the general im-
pression is that the offer will be ac-
cepted and that the construction of a rail-
road into the Arizona "strip" will soon
be under way. A survey of the tract
was completed during the past summer.

SUES TO RECOVER FOR DAMAGES TO CROP

Ogden, Dec. 8.—To recover \$2,000 al-
leged to be due for damages to a crop
of alfalfa seed, James Allen has start-
ed action in the district court against the
Burton Implement company of this city.
The complaint alleges that on
August 20 of this year, plaintiff pur-
chased a Milwaukee reaper for the sum
of \$65, to harvest his alfalfa seed on
his farm 15 miles from Tremonton,
Cedar county. The implement com-
pany agreed to deliver the reaper not
later than August 24. However the
machine did not arrive in time and it
was necessary to purchase another
reaper. In the meantime the crop rip-
ened and before it could be harvested,
plaintiff claims that five bushels to each
acre of the seed was lost at the rate of \$3.50 per
bushel, was the actual loss sustained.

MARRIAGE LICENSES.

Ogden, Dec. 8.—Marriage permits
have been granted to the following
couples by County Clerk S. G. Dye:
Gavin Young of Rock Springs, Wyo.,
and Mrs. Rosetta D. Loveland of Or-
chard City.
John M. Bingham and Laura O. Or-
sen, both of Wilson, Weber county.
Aurelius L. Lund of Nephi and Ber-
tha A. Thornton of South Ogden.
Fred, Alonzo Clark and Mrs. Lydia
Perry, both of Salt Lake.

ARRESTED FOR THEFT.

Ogden, Dec. 8.—For the theft of about
40 pounds of cotton wire bands from
the Salt Lake & Ogden railroad com-
pany, Jens Brothers, a well known char-
acter in police circles is being held at
the city jail awaiting a hearing on the
charge of petit larceny. Brothers, who
is a morphine fiend, sold the stolen junk
to a local dealer and used the proceeds
to buy more "dope." When confronted
with the evidence, Brothers made a
full confession. The officers are now
working on the case of a young man
whom they intend to take into custody
on the charge of receiving stolen goods.
This charge is the more serious of the
two and it is likely that his punishment
will be more severe than that of the
half-crazed man who actually com-
mitted the theft.

WEBER CLUB BUILDING.

Ogden, Dec. 8.—On Friday afternoon
at 1 o'clock, ground will be broken for
the new Weber club building, every
member of the club being invited to
hand a one dollar contribution. Short ex-
temporaneous speeches will be given
by a number of club officials and the
organ and other prominent citizens
although no formal program has been
arranged. As formerly stated, the J. P.
O'Neill construction company will have
charge of the execution and construction
of the foundation.

FUNERAL SERVICE.

Ogden, Dec. 8.—This afternoon at 11
o'clock the corpse for the funeral of Li-
telle H. Hickman, who died at the home
at Pleasant View of scarlet
fever, will assemble at the home and
proceed to the last at the Fifth ward
Ogden where a short service will be held
at the grave.

SUIT FOR DIVORCE.

Ogden, Dec. 8.—On the grounds of de-
sertion and non-support for the past
year and a half, Edith Ventola has been
granted an interlocutory decree of di-
vorce from Thomas Ventola. The com-
plaint was filed at San Francisco, Oct.
8, 1908.
Mrs. Christina Helander has been given
a final and absolute decree of di-
vorce from Chas. V. Helander by Judge
Howell in the district court. The inter-
locutory decree, which was granted on
the grounds of failure to provide, was
issued April 23, of this year.

MISSIONARIES AIDED.

Ogden, Dec. 8.—Following a very suc-
cessful and interesting party given on Tues-
day evening last at the Fifth ward
amusement hall, Bishop H. C. Jacobs
today mailed a letter to each of 16 young
traveling elders containing a Christmas
card and a letter to each of 16 young
men laboring in the field from the Fifth
ward, but one is in the United States.
The other 15 are in Japan, two in
Society Islands, one in Japan, two in
England and the balance in the Ne-
therlands, France, Germany and Switz-
erland.

TAKE CARE!

Remember that when your kidneys are
affected, your life is in danger. Mr.
Mayer, Rochester, N. Y., says: "My
trouble started with a sharp shooting
pain over my back which grew worse
daily. I felt sluggish and tired, by
kidney action was irregular and in-
frequent. I started using Foley Kidney
Pills. Each dose seemed to put new
life and strength into me, and now I
am completely cured and feel better and
stronger than ever before."—Schramm-

MURRAY.

COMMERCIAL CLUB DISPLAYS ACTIVITY

(Special Correspondence.)
Murray, Dec. 7.—The Commercial club
held a meeting last evening which was
the largest attended of any yet held in
the history of the club. It was a repre-
sentative gathering of the business in-
terests of the city. The purpose of the
meeting was to stimulate business and
possible arrive at some plan by which
the trade of Murray and a discussion
that goes elsewhere could be kept at home.
The merchants claim that they are in a
position to take care of the trade and
save the people money if they can get
the opportunity to demonstrate to the
people their goods and wares and com-
pare prices. Some exceptions were
taken to this claim and a discussion
that was not lacking in feeling ensued.
This tilt probably had the desired ef-
fect, that of awakening in the business
community a keener perception in looking
after the people's wants and in a better
and more courteous treatment of cus-
tomers.

A big feature of the meeting was the
getting together to establish a market
place and an auction day each week,
where the farmers can come and con-
vert their produce into cash, exchange
seed grain, trade horses, cows, poultry
etc., with the view of bettering their
herds and flocks. In fact the market
place will be at the disposal of the
farmers to use to their best advantage.
A committee was appointed a week ago
to look after this matter. Last night
two more members were added to this
committee. The new members are T. W.
Diamond and J. T. Roberts. The busi-
ness men present and most of them
were present pledged themselves to the
support of this movement, and they
all agreed to work together for one
and for all for the stimulating of
trade and for bettering conditions in
Murray city.

IMPROVEMENTS COMPLETED.

Murray, Dec. 7.—The people of South
Cedar have been busy the past
month making extensive improve-
ments in their ward house, and during
that time all meetings have been suspended.
The improvements of the week, however,
have been completed and the ward
organization will be able to resume
active work. The improve-
ments were extensive in order to fur-
nish entertainment for the young peo-
ple. The ward house, which is a sub-
stantial building, was erected in 1909.
It is ample to meet the requirements
of the social events of the ward, and
the improvement bespeaks well of the
thrift and integrity of the people.

The entire north building has been
made into one hall and is 260 feet. A
new floor has been laid in this
room, making it one of the best dance
halls in the country. A stage has been
put in the north end of the south
building, opening into the large hall
which makes a splendid auditorium as
well as a dance hall. The stage is an
addition to the old ward house, as a
temporary stage has been used.

DAILY INSPECTED.

Murray, Dec. 8.—C. L. Miller on Wed-
nesday afternoon visited the Murray
Commercial club and city council to his
home, where a thorough inspection was
made of the cows and the conditions of
the milking establishment in general.
The manner in which the milk was
collected was thoroughly explained and 25
head of cows were found to be in excel-
lent condition. Among the things en-
joyed the hospitality of Mr. Miller were
Mayor Phil Bentz, President James W.
McHenry, Dr. A. A. Bird, L. C. Miller,
C. H. Banks, Frank C. Lowe, Michael
Mauss and many others.

PLAIN CITY.

IRRIGATION COMPANY ELECTS GOVERNING BOARD

(Special Correspondence.)
Plain City, Dec. 6.—The stockholders
of the Plain City Irrigation company
held a meeting last night.
They voted a 6 per cent dividend for the
year and elected the following
board of directors: George Waterston,
John Maw, Milo R. Sharp, W. C. Carver
and James L. Robson.

A meeting will be held Tuesday, Dec.
13, to perfect an organization of the beet-
growers. It is proposed to work in con-
junction with other organizations in
Weber, Davis and Boxelder counties. At
the meeting the existence of the beet-growers,
James L. Robson denied the statements
printed in the papers, in which David Ec-
cles, president of the Americanated com-
pany, claimed the existence of an under-
standing with the farmers for the year
1911. Mr. Robson, according to the report
in the Ogden Standard, read the minutes
of the meeting held March 23 last, at the
county court house, and said they failed
to show that any action was taken, as
claimed by Mr. Eccles.
